

This index reflects material appearing in the 2001 issues of **RN**. Articles are listed alphabetically under subject headings. Each entry gives the title, issue, and page number on which the article begins. Those with continuing education tests are marked with an asterisk.

## AIDS

Legally Speaking: The legal realities of HIV exposure. Dec:71

## ALLERGY

\*Relief for patients with severe allergies. June:26

## ASSESSMENT

A new look at an old foe. Dec:28h2

Caring for patients with body piercings. Apr:24h2

Diabetes Update:

\*Acute complications. Apr:26

We make foot exams a priority. May:40

Do you really listen to patients? Mar:35

Do you screen patients for alternative therapy use? Nov:32h1

\*Drug Disasters:

Anaphylaxis. Dec:45

Extravasation. Sept:56

Red-man syndrome. Nov:45

SJS: Same trigger, less deadly. Oct:39

Toxic epidermal necrolysis. Oct:35

Healthcare & the Net: Monitoring patients. Feb:53

Is this forensic specialty for you? Dec:37

One hospital's protocol for immunizing adult inpatients. Nov:32h4

\*Osteoporosis: There's so much we can do. Dec:30

\*Pediatric emergency: Assessing gut pain. Apr:38

PICCs and midlines—fine-tuning your care. Aug:26

Practical tips for domestic violence screening. Mar:24h8

Properly assessing pain in the elderly. May:45

Telephone triage: A common sense approach. Mar:ON2

\*The darker side of SSRIs. Aug:43

There's *what* in the wound? Feb:44

\*VT or SVT? You can tell at the bedside. Feb:26

## BURNS

Another choice for burn victims. Sept:34

\*Helping patients survive inhalation injuries. Oct:28

## CARDIOLOGY

A new look at an old foe. Dec:28h2

\*Aortic valve replacement. Jan:58

\*Cardiac gene therapy: The future is now. Aug:54

\*Diabetes Update: The untold story of disease progression. Mar:59

Don't overlook MIs in middle-aged women. Oct:24h1

\*VT or SVT? You can tell at the bedside. Feb:26

## CAREER DEVELOPMENT

Is this forensic specialty for you? Dec:37

## CHARTING

Legally Speaking: How to chart for peer review. June:67

Telephone triage: A common sense approach. Mar:ON2

The next step in preventing med errors. Apr:46

## COMPLEMENTARY THERAPIES

Do you screen patients for alternative therapy use? Nov:32h1

Patient's Library: Herbal supplements. Sept:ON7

## COMPUTERS

Healthcare & the Net:

Guiding seniors. Feb:50

Monitoring patients. Feb:53

Net Savvy:

Better options for Net searches. Feb:21

Welcome to the new **RN**Web. Mar:19

PC Savvy:

In search of a better mouse. May:21

Manage files easily with software utilities. Apr:19

The next step in preventing med errors. Apr:46

## CRITICAL CARE

\*A new direction for dialysis. July:56

\*ACLS update: What you must know, now! May:70

\*Aortic valve replacement. Jan:58

\*Helping patients survive inhalation injuries. Oct:28

\*VT or SVT? You can tell at the bedside. Feb:26

## DEATH

Acts of compassion. June:32

\*The suicide myth. Jan:33

## DERMATOLOGY

\*Drug Disasters:

Red-man syndrome. Nov:45

SJS: Same trigger, less deadly. Oct:39

Toxic epidermal necrolysis. Oct:35

## DIABETES

Diabetes Update:

\*Acute complications. Apr:26

\*Chronic complications. May:34

\*Insulin therapy. Sept:38

\*Monitor options. June:36

\*Nutrition and exercise. July:34

\*Oral medications. Aug:30

\*The untold story of disease progression. Mar:59

\*Type 2 disease in children. Oct:44

We make foot exams a priority. May:40

## DIALYSIS

\*A new direction for dialysis. July:56

## DISEASE

\*Cardiac gene therapy: The future is now. Aug:54

\*How to intervene before asthma turns deadly. May:52

\*Osteoporosis: There's so much we can do. Dec:30

\*Spotting acute pancreatitis. Nov:54

## DRUGS

\*ACLS update: What you must know, now! May:70

\*Battling hepatitis C. Apr:54

\*Diabetes Update:

Insulin therapy. Sept:38

Oral medications. Aug:30

Dolasetron for chemo nausea. Mar:38

\*Drug Disasters:

Anaphylaxis. Dec:45

Extravasation. Sept:56

Red-man syndrome. Nov:45

SJS: Same trigger, less deadly. Oct:39

Toxic epidermal necrolysis. Oct:35

\*Epidural analgesia: Your role. Mar:53

\*Finally! Babies can get this vaccine. July:28

Help needy patients get free meds. Jan:ON3

OTC emergency contraception. May:ON3

Spasticity in kids: An intrathecal option. Jan:39

\*The darker side of SSRIs. Aug:43

The next step in preventing med errors. Apr:46

Troubleshooting tips for PCA. Apr:33

## EMERGENCY CARE

\*ACLS update: What you must know, now! May:70

Don't overlook MIs in middle-aged women. Oct:24h1

\*Helping patients survive inhalation injuries. Oct:28

High diversion rates put patients at risk. May:32ac18

\*How to intervene before asthma turns deadly. May:52

\*Keeping COPD patients out of the ED. Feb:33

\*Pediatric emergency: Assessing gut pain. Apr:38

\*VT or SVT? You can tell at the bedside. Feb:26

When a patient turns violent. May:32h2

## ENDOCRINOLOGY

\*Diabetes Update:

Acute complications. Apr:26

Chronic complications. May:34

Insulin therapy. Sept:38

Nutrition and exercise. July:34

Oral medications. Aug:30

The untold story of disease progression. Mar:59

Type 2 disease in children. Oct:44

## EQUIPMENT

A WaterPik® to clear sinuses? Jan:48

### Market Choices:

Blood pressure monitors. Apr:65  
Compressor nebulizer systems. Mar:67  
Defibrillators. Oct:67  
Exam gloves, Part 2. Jan:67  
Hair-washing systems. Feb:67  
Hand cleansers. Sept:65  
IV administration sets. Nov:61  
Laryngoscopes. May:79  
Lift and transfer devices. Aug:61  
PCA pumps. Dec:63  
Urine specimen collection kits. July:63

PICCs and midlines—fine-tuning your care. Aug:26

Troubleshooting tips for PCA. Apr:33

## ETHICS

### Ethics in Action:

Delegating tasks to a patient's family. July:21  
Reporting a colleague's medical error. Sept:25  
Sharing a personal experience when it could help a patient. May:25  
When a patient delays consent until her family arrives. Mar:21  
When a terminally ill patient refuses pain meds. Jan:29  
Would you suggest this patient change doctors? Nov:25

## EYE, EAR, NOSE, THROAT

A WaterPik® to clear sinuses? Jan:48

Occupational Hazards: Protect your eyes! Oct:69

Patient's Library: Using drops and sprays. Jan:ON5

\*Sinusitis: When to treat and how. Jan:42

## FAMILY

Ethics in Action: Delegating tasks to a patient's family. July:21

Practical tips for domestic violence screening. Mar:24hf8

Thank you, nurse. July:47

## GASTROINTESTINAL SYSTEM

\*Hope for the morbidly obese. Dec:56

\*Pediatric emergency: Assessing gut pain. Apr:38

\*Spotting acute pancreatitis. Nov:54

## GERIATRICS

Healthcare & the Net: Guiding seniors. Feb:50

\*Osteoporosis: There's so much we can do. Dec:30

Properly assessing pain in the elderly. May:45

## HOME CARE

Trach care at home: A how-to guide. July:43

## HOSPITALS

High diversion rates put patients at risk. May:32ac18

Occupational Hazards: Is the night shift worth the risk? Aug:65

One hospital's protocol for immunizing adult inpatients. Nov:32hf4

## INFECTIONS

\*Battling hepatitis C. Apr:54

One nurse's fight. Apr:59

\*Sinusitis: When to treat and how. Jan:42

## INTERNET

### Healthcare & the Net:

Guiding seniors. Feb:50  
Monitoring patients. Feb:53

### Net Savvy:

Better options for Net searches. Feb:21  
Finding "the best" Web sites. June:19  
Using the Net to roam the real world. Jan:23  
Welcome to the new RNWeb. Mar:19

## IV THERAPY

\*Drug Disasters: Extravasation. Sept:56

PICCs and midlines—fine-tuning your care. Aug:26

## LEGAL

\*Impaired nurses: Reclaiming careers. Feb:58

### Legally Speaking:

A legal look at genetic testing. Oct:73  
Delegating to UAPs—a practical guide. Nov:65  
How to chart for peer review. June:67  
Keep lawsuits at bay with compassionate care. May:83  
Keeping pace with new patient privacy rules. Sept:71  
New regulations focus on medical errors. Apr:71  
Preventing communication breakdowns. Jan:71  
Reduce your risk in the managed care jungle. Mar:71  
Test your knowledge of the disciplinary process. Aug:71  
The legal realities of HIV exposure. Dec:71  
The national data bank nurses need to know about. July:65

## NEUROLOGY

\*Epidural analgesia: Your role. Mar:53

Spasticity in kids: An intrathecal option. Jan:39

## NUTRITION

\*Diabetes Update: Nutrition and exercise. July:34

\*Osteoporosis: There's so much we can do. Dec:30

## OCCUPATIONAL HAZARDS

Is the night shift worth the risk? Aug:65

Protect your eyes! Oct:69

Simple strategies for managing stress. Dec:65

Watch your back! June:65

Workplace violence. Feb:71

## ONCOLOGY

Dolasetron for chemo nausea. Mar:38

## PAIN

\*Epidural analgesia: Your role. Mar:53

Ethics in Action: When a terminally ill patient refuses pain meds. Jan:29

Properly assessing pain in the elderly. May:45  
Troubleshooting tips for PCA. Apr:33

## PATIENT EDUCATION

A helpful guide to asthma education. Sept:28hf2

\*A WaterPik® to clear sinuses? Jan:48

\*Battling hepatitis C. Apr:54

Diabetes Update: We make foot exams a priority. May:40

Healthcare & the Net: Guiding seniors. Feb:50

Help needy patients get free meds. Jan:ON3

\*Keeping COPD patients out of the ED. Feb:33

Let agitated patients know they have choices. Aug:24hf1

### Living with diabetes:

Acute complications. Apr:29  
Blood glucose monitors. June:41  
Chronic complications. May:37  
Insulin therapy. Sept:43  
Nutrition and exercise. July:37  
Oral medications. Aug:35

### Patient's Library:

Allergies. May:ON7  
Skin care. July:ON11  
Using drops and sprays. Jan:ON5

## PATIENTS

Do you really listen to patients? Mar:35

Help in complying with JCAHO's restraint standard. Sept:28hf1

Help needy patients get free meds. Jan:ON3

Let agitated patients know they have choices. Aug:24hf1

What you must know about new patient safety standards. June:24hf1

When a patient turns violent. May:32hf2

When your patient speaks Spanish—and you don't. May:65

## PEDIATRICS

\*Diabetes Update: Type 2 disease in children. Oct:44

\*Finally! Babies can get this vaccine. July:28

Is your ED really prepared to take care of children? July:24hf1

Paving the way to fewer office traffic jams. July:ON2

\*Pediatric emergency: Assessing gut pain. Apr:38

Spasticity in kids: An intrathecal option. Jan:39

You can make a difference with these kids. June:45

## POETRY

### Nurses' Verses:

A day in the life of a nurse. July:54  
A nurse's vow. May:68  
Caring. Feb:43  
Peter Pan and the Lost Boys. June:52  
The call. Oct:52  
The nursing home. Nov:60  
The road I take. Jan:53  
To my cancer patients. Mar:43
